

Notice

The article “Russian Given Names: Their Pronunciation, Meaning, and Frequency” *Names: A Journal of Onomastics*, Volume 53, Numbers 1 & 2, pp. 49-77, as originally published had problems with the IPA (International Phonetic Alphabet) font used to show the pronunciation of the Russian names. The Appendix showing all the entries and a native speaker pronouncing the names may be found at:

<http://www.fredonia.edu/faculty/emeritus/edwinlawson/russiannames/>
