Argument-Structure Construction with Organization Names in the English Eurolect: The Case of [ORG +V + *that* + SC]

Fernando Sánchez Rodas, Research Institute of Multilingual Language Technologies,
University of Malaga, SPAIN

Gloria Corpas Pastor, Research Institute of Multilingual Language Technologies,
University of Malaga, SPAIN

NAMES: A Journal of Onomastics, Vol. 71, No. 2, Spring 2023, 13–30

When the above article was published online in June 2023, the empirical data for Table 9 did not appear. This error has been corrected in this online version, published July 2023. In addition, the authors requested that the title of the article be changed from “Argument-Structure Construction in Organization Names in the English Eurolect” to “Argument-Structure Construction with Organization Names in the English Eurolect”. This change also appears in the updated version released July 2023.
