### *The Second Annual Names Institute*

Fairleigh Dickinson University is inviting *ANS* members to attend the Second Annual Names Institute to be held on the Madison (N.J.) Campus on Saturday, May 4, 1963. We feel sure that those coming to the Institute would be happy to visit other campuses in the future if another college or university would be interested in sponsoring such a meeting.

### *The December Issue*

Among the articles to be included in the next issue are J. B. Rudnyćkyj's "*Svjatogor* — the Name of the Hero of *bylina*"; Jack Autrey Dabbs' "Street Names in Baghdad, Iraq (Part II)"; Assar Janzén's "Scandinavian Place-Names in England: V"; Hildegard Must's "The Names of the Apostles as Estonian Christian Names"; Byrd Howell Granger's "Methodology Used in the Revision of *Arizona Place Names*"; Walter C. Kraft's "The Futhark in Oregon: an Excursus on Collegiate Onomastics"; and Jan Harold Brunvand's "A Note on Names for Cars."
